FOR IMMEDIATE RELEASE:

GBC Services LLC Extends Services Offering with Low Cost, All Inclusive Affordable Payroll Services with Robust HRMS from Humanic Design, Inc.

Alpharetta, GA -April 7, 2009: In response to demand for increased technology solutions from its clients, GBC Services LLC announces that it has chosen Humanic Design's technology platform to extend its Payroll and HRMS offerings. GBC will be offering an all-inclusive, affordable package that will now include web-based HRMS, Employee and Manager Self Service, Timesheet Reporting and Approval—all combined with superior outsourced Payroll and Tax services. GBC has the proven expertise to handle your most complex Payroll and Tax Filing needs. Now, with Humanic technology, GBC can extend its reach and value into clients' operations and processes.

"We were looking for a true partner that would allow us to continue to be high touch with our clients and could give us the technology platform we need for organizations that need more than a basic payroll service bureau," explains Ghassan Ghraizi, president and one of the founding members of GBC Services. "Our clients expect a lot from us and we believe by adding the Humanic technology we can take our service to yet another level. I felt Humanic Design's no nonsense approach to a valued partnership was outstanding. Humanic has been a superb partner organization and is very attentive and responsive to our needs as a reselling partner. With our deep expertise and customer focus we feel that the Humanic Design technology will allow us to grow our company to the next level. We needed a technology partner with effective and proven solutions to compliment our excellent PR support services. We were looking for a price performance leader and the biggest bang for the buck in technology for our clients and we chose Humanic."

Humanic Design of Mahwah, New Jersey, the price performance leader in payroll and HR technology solutions for over twenty years, has joined forces with GBC Services to provide small and mid-sized businesses with excellent services from proven payroll and tax experts. "I am very pleased with a partnership with GBC Services, said Steve Brander, Vice President of Sales and Business Development for Humanic Design. GBC Services offers valuable expertise to companies of all sizes that seek to outsource their Payroll services to a company with a great reputation and excellent service record." GBC Services' knowledge and experience, coupled with Humanic's solid and robust HRIS / PR technology solutions, can provide a small or mid-size company with an affordable, superior product, normally only available to the larger enterprises. Humanic continues to work with high quality service providers to bring its solutions into the fast growing contingent of small to mid-sized businesses in the market. "GBC Services is a committed Payroll Services company with lots of experience that will serve small to midsize Southeast clients very well. We look forward to a long and valuable relationship for many years to come," said Steve Brander.

GBC Services is now offering their all inclusive, low-cost single priced package under the product name of "GBC Professional Level Payroll and Human Resource Management System". The GBC Services / Humanic web-based technology solutions are delivered via SAS 70 certified hosting facilities to ensure the full privacy and full routine backup of your hosted data.
